Miami International Airport's automated passport control (APC) kiosks are now available to travelers from the 39 countries participating in the U.S. Department of State's Visa Waiver Program (VWP). APC technology allows travelers arriving at MIA from abroad to have their passports processed in less than two minutes via a self-service APC kiosk instead of waiting in line for a U.S. Customs and Border Protection (CBP) officer. MIA is one of only a few U.S. airports with expedited processing for pre-approved travelers. There are two ways to speed things up: Global Entry and TSA Pre-Check. Visit TSA.gov to get in MIA's fast lane.

Business Development Department

Home of the New World Symphony, a Prestigious Fellowship Program
The New World Center is a unique laboratory for generating new ideas about the way classical music is taught, presented and experienced. It is an intellectually driven, technologically advanced and architecturally significant immersive environment in which the Fellows' rigorous experiential curriculum and guest meetings, summits and special events thrive.

In the heart of vibrant South Beach, the New World Center (NWC) is a modern keystone amongst deco-era architecture. The breathtaking venue designed by Pritzker Prize-winning architect Frank Gehry is located one block south of the Miami Beach Convention Center and The Fillmore at the Jackie Gleason Theater. Guests are able to walk over from world-famous Lincoln Road Mall, an open-air shopping and dining district, or one of the many major and boutique hotels.

ENVISION YOUR EVENT

Private Receptions, Dinners, Weddings
The New World Center's modern, open design brings natural light and movement into each space, staying true to Frank Gehry's concept – to bring the outside in. The sun, surf, and sky flow through the facility as if it rose from the beach itself, providing the perfect palette upon which to overlay a reception, dinner or wedding.

Corporate & Small Business Meetings
Environment is important. Whether a private meeting to discuss the present state and future direction of a company, a "business casual" gathering over drinks, or a global meeting of senior leadership, the New World Center offers spaces of varying capacity with views, style and full audiovisual services.

Public Relations Events
Few offices are equipped to make presentations to large audiences. When a company is looking for an auditorium that can hold members of the press, the business community, and government representatives, the New World Center's performance hall is ideal. Spaces can be applied to a simple press conference or a "first look" at the newest product or service.

Conferences and Conventions
With full audiovisual support, expert staff, multiple breakout spaces and the ability to scale the facility to accommodate attendance, the New World Center is a unique, high-tech location for your conference, summit, or trade show. Given its convenient proximity to the Miami Beach Convention Center, many businesses opt to rent NWC as an adjunct location for press conferences, media briefings, private events or after-parties and music enrichment experiences. Your special guests and VIPs who require off-site meeting rooms can easily be accommodated.

Fashion and Runway Events
The bold architecture of Frank Gehry is the perfect canvas for unveiling the latest looks in fashion. Big reveals of Spring and Fall collections, and pop-up concept stores for exclusive sales are at home in the stunning, modern design of the New World Center.

Catering
The New World Center is proud to enjoy exclusive food and beverage support from Thierry Isambert Culinary and Event Design, raising the bar in the "art of culinary" in South Florida for over 25 years. Thierry Isambert is recognized for creative international, kosher and personal palate-driven menus ensconced in exquisite tableware and served by highly professional staff.

Miami Beach

MIAMI BEACH

The Art Deco Historic District is one of Miami Beach's most popular attractions. You can explore it on guided walking tours offered by the Miami Design Preservation League (MDPL).

Many of the striking buildings in Miami Beach house fascinating museums, including The Bass, Miami Beach's contemporary art museum. A dramatic Spanish Baroque building is home to The Wolfsonian — FIU, a museum exploring advances made from the 1850s to the 1950s. The Jewish Museum of Florida — FIU is located in two beautifully restored synagogues. The Holocaust Memorial Miami Beach is identified by the stunning image of a giant sculpted hand reaching toward the skies. Miami Beach Botanical Garden is a peaceful urban oasis.

The sparkling seashore lines Miami Beach for miles. North Beach Oceanside Park offers wide open spaces and no hotel towers to share the view. Lummus Park provides the palm trees and sand dunes that connect the sparkling blue Atlantic with pastel-colored Ocean Drive.

Fashionistas looking for cool retail head directly to South Beach's shopping streets: Lincoln Road, Collins Avenue, Washington Avenue and Ocean Drive. European-flavored Española Way offers laid-back cafes and charming stores.

The curtain is rising on concerts, comedy and theater at a number of venues, including the Fillmore Miami Beach at the Jackie Gleason Theater, the Colony Theatre, the New World Center and the Faena Theater. The North Beach Bandshell is a unique concert venue near the ocean.

COCONUT GROVE

A little bohemian, a little Bahamian and altogether fascinating, "The Grove" is a place where people can stroll the streets and sample eclectic shopping and cuisine at a variety of shops and restaurants. History and heritage still echo through The Grove, as you discover when strolling beside the bay at Peacock Park, visiting The Barnacle or exploring the splendorous Vizcaya Museum and Gardens.

COCONUT GROVE VILLAGE WEST

Touring this enclave is an enriching experience as you learn about African-American and Bahamian settlers who arrived in the 1870s. Take a stroll and explore the area's first Black church, a library, a cemetery and a number of historical homes.

CORAL GABLES

In addition to its quiet, tree-shaded streets and lovely homes, Coral Gables offers a host of attractions. Nature's beauty and man's ingenuity meet at Venetian Pool, described as "the world's most beautiful swimming hole." Explore the world of exotic plants at Fairchild Tropical Botanic Garden.

Tee off at the Granada Golf Course and The Biltmore Golf Course. The Coral Gables Country Club is a beautiful venue constructed in 1924. Miracle Mile and the surrounding streets of downtown Coral Gables are home to shops and restaurants.

DOWNTOWN MIAMI + BRICKELL

Downtown Miami's striking skyline is an architectural testament to an impressive collection of historic landmarks, futuristic structures and showstopping attractions like the Freedom Tower, now home to the Museum of Art and Design at Miami Dade College (MOAD MDC).

Bayfront Park is a lush 32-acre site on Biscayne Bay, while Maurice A. Ferré Park (Museum Park) connects Pérez Art Museum Miami (PAMM) and the Phillip and Patricia Frost Museum of Science. The Olympia Theater came of age in the Roaring Twenties, and the Adrienne Arsht Center for the Performing Arts of Miami-Dade County is home to Florida Grand Opera, the Miami City Ballet and the New World Symphony.

Holding court at its massive bayfront arena, the NBA's Miami HEAT play to sellout crowds. The scenic MacArthur Causeway connecting to Miami Beach is home to Jungle Island and Miami Children's Museum.

South of the Miami River, the booming Brickell district is home to a wide array of high-rise office towers, residential buildings, restaurants and bars. Here you'll find the laid-back Mary Brickell Village and the stunning Brickell City Centre.

along Biscayne Bay. Built between 1923 and 1951, Coral Castle Museum in Homestead is one of Greater Miami's more intriguing sites, world renowned for its mysteries of love and science.

History buffs can take a walking tour of the Homestead Historic Downtown District. In Florida City, the Florida Pioneer Museum focuses on early 20th-century settlers. Goulds and Perrine flourished during the early days of Henry Flagler's Florida East Coast Railway. Today, these areas are ripe for exploration. To get a glimpse into South Dade's pioneering history, visit Cauley Square Historic Railroad Village.

Originally conceived as a community for African-American veterans returning home from World War II and facing the difficulty of finding quality affordable housing, Richmond Heights has grown into a thriving community with a rich and proud history.

The South Miami-Dade Cultural Arts Center in Cutler Bay hosts concerts and community outreach programs, and provides rehearsal space for performers. Seminole Theatre in Homestead has become a go-to venue for entertainment.

LITTLE HAVANA

Declared a national treasure by the National Trust for Historic Preservation, this slice of the motherland created by Cuban exiles in the 1960s hums with perpetual activity, especially along Southwest 8th Street (Calle Ocho). Cuban retirees gather to play dominoes at Máximo Gómez Park, known as Domino Park. Many cigar factories and shops feature authentic rolling rooms. Little Havana also is home to unique shops selling items such as traditional guayabera shirts. Catch live music at Ball & Chain, or see a Miami Marlins game at the state-of-the art Marlins Park.

LITTLE HAITI

This community is a pillar of Caribbean history, music and art, with the Little Haiti Cultural Complex (LHCC) at the forefront of its cultural programming. The streets of Little Haiti bustle with family-owned businesses, music stores, bookshops, clothing boutiques and authentic eateries. It's the place to shop for fine art, jewelry, handmade souvenirs and collectibles and to enjoy live entertainment and island cuisine.

Historic Overtown

HISTORIC OVERTOWN

Adjacent to Downtown Miami, Overtown was once a thriving African-American community of locally owned businesses. Anchoring the district, the Lyric Theater is listed on the National Register of Historic Places and showcases local talent. The Black Archives leads tours of Historic Overtown. Points of interest include the Black Police Precinct and Courthouse Museum. The latest addition to the area is the Overtown Performing Arts Center.

LIBERTY CITY

This largely African-American community in Greater Miami's northwest corner once thrived, before falling on hard times from the late 1960s to the early 1980s. Determined local leaders' efforts are paying off with increased commercial development and area beautification, including Liberty City's famed outdoor murals and the iconic Liberty Square. Liberty City is home to the Joseph Caleb Auditorium, the African Heritage Cultural Arts Center and the Sandrell Rivers Theater.

In Virginia Key, you will also find a pioneer among marine parks: Miami Seaquarium. It covers 38 acres, with sea turtles, manatees, wild birds and fish of every size and color. Dolphins, sea lions and whales perform in shows under the landmark Golden Dome, designed by acclaimed architect Buckminster Fuller.

SHOW YOUR BADGE PROGRAM
The Greater Miami Convention & Visitors Bureau is working in partnership with Miami Beach Business Improvement Districts and the Miami Beach Chamber of Commerce on a "Show your Badge" special offer program. Attendees snap a picture of their badge and present it to participating restaurants and merchants on Lincoln Road, Ocean Drive and area attractions to take advantage of the added values. This program is promoted on the client's conference website and at the City Concierge Desk located in the reimagined Miami Beach Convention Center.

WELCOME TO MIAMI BEACH
The City of Miami Beach wants to do everything possible to make your visit a pleasant experience. If you enjoyed your stay, tell everyone. If you did not, please call the Tourist Hotline at 305/673-7400, or write to 1700 Convention Center Drive, Miami Beach, FL 33139. Include your name, address and phone number. Miami Beach wants you to remember us as the city that "will go the extra mile."

TOLL ROADS
Florida's Turnpike and portions of some highways in Miami are toll roads. Tolls are automated and there is no need to stop at a toll booth. If you are renting a car, ask your car rental agency about options for paying tolls. Some rental cars are equipped with a SunPass, PlatePass® or Pass24® to pay tolls electronically. If your car does not have one of these devices, you can use Toll-By-Plate. Just drive through and the tolls will be added to your final bill. An administrative fee will be added.

TIPS AND INFORMATION FOR USING THE I-95 EXPRESS LANES
The Express Lanes are for long-distance trips ONLY. The toll varies depending on the current level of I-95 congestion, and is clearly posted overhead. Tolls are collected electronically, so if you want to use 95 Express, make sure you have a SunPass, PlatePass® or Pass24®. If you are in a registered hybrid vehicle, vanpool or 3+ carpool, or if you drive a motorcycle, you can use 95 Express toll-free.

NORTHBOUND
- Drivers may enter the lanes from eastbound State Road 112, northbound I-95 just south of SR 112 or from the Northwest 10th Avenue ramps to I-95.
- There is no exit for approximately seven miles until just north of Northwest 151st Street.
- Drivers may enter again just south of Miami Gardens Drive/186th Street.
- There is no exit for approximately two miles until Ives Dairy Road/203rd Street.

SOUTHBOUND
- Drivers may enter the lane at Miami Gardens Drive/186th Street.
- There is no exit for approximately two miles to S.R. 826/Palmetto Expressway.
- Drivers may enter the lane again at 151st Street.
- There is no exit for approximately five miles to S.R. 836/Dolphin Expressway.

ONCE IN THE LANES...
- Do not stop in the express lanes.
- Do not attempt to exit early by driving around or between the plastic poles.

Visit **95express.com** or call 877/959-3368 for more information.

PUBLIC TRANSPORTATION
There are several economic methods of public transportation available throughout Greater Miami and the Beaches. **Metrorail** is a 25-mile elevated rail system that serves Downtown Miami and extends west to Miami International Airport and Hialeah, and south to Kendall, with stops approximately every mile. **Metromover** features individual motorized cars that run atop a 4.4-mile elevated track looping around Downtown Miami and to the Brickell and Omni business districts. **Metrobus** offers more than 95 routes in Miami-Dade County. Visit **miamidade.gov/transit** or call 305/891-3131 to learn more about public transportation.
Tri-Rail is a commuter rail system with 18 stations throughout Miami-Dade, Broward and Palm Beach counties. Visit **tri-rail.com** or call 800/874-7245 for more information.

NIGHTLIFE & BREWERIES

Greater Miami and the Beaches is world-renowned for its hot clubs and luxe lounges. Sip champagne on a rooftop or in a private wine cellar, then dance the night away in posh clubs where celebrities flock. Cosmopolitan crowds, beautiful surroundings and an eclectic craft beer scene make Greater Miami the perfect place to party after a long day.
