Imagine an experience created to fit your every whim...

...whatever it is that you’re looking for.
What’s your whim? Is it flirty? Tranquil? Festive and chic? Perhaps you’re in the mood for a place that attracts the “in crowd.” Or maybe a place that’s a little more secluded. Whatever your mood, you can indulge it at Greater Miami and the Beaches’ lifestyle and boutique hotels, where you’ll always stand out as more than just a face in the crowd. Miami is all about personal attention and service, something you’ll see the minute you get here — like when you’re greeted by name by everyone from the bellhop to the bartender. Miami is also known for making a statement, and we do that through special touches like stylized furnishings and high-end, name-brand bath products. No matter your style, you’ll find the perfect fit for your stay in Miami, where everybody is somebody to us.
With all these choices, you’ll find the perfect match.
GO WITH YOUR MOOD

You’re the one who gets to set the mood, so you’ll find the perfect match somewhere in Miami. And with all the choices you have, you may find yourself feeling like a kid in a candy story as you decide where it is that you want to make your stay. Best of all, you can keep coming back for more, so you can try them all on for size.

SOUTH BEACH — It’s most definitely the place to see and be seen. Miami Beach’s South Beach area — or SoBe — offers a cool vibe all its own. It’s always chic and uniquely sophisticated, a place as photogenic as the celebrities, models and fashionistas who flock here throughout the year. While the feel is definitely and thoroughly cosmopolitan, there’s a hint of the glitz and glamour of a bygone era everywhere you go here in the Art Deco District.

NORTHERN BEACHES — Just up the road, within easy reach of SoBe but far enough away for a whole new scene, are the Northern Beaches. Decidedly more tranquil, Miami Beach’s northern end and the adjacent beachside towns provide a cozy village escape with a tropical twist. Here you’ll find casually sophisticated eateries and boutiques offering delicious bites and vintage finds. The perfectly manicured streets are lined by historic Miami Modern (MiMo) icons, making for postcard-perfect vistas.

MAINLAND — There are more flavors to be found on the mainland than you can imagine, from sophisticated elegance to gritty chic. Glimmering high-rises that welcome hobnobbing jet-setters from across the globe tower along the coastline of a bustling downtown district. Bask in the quaint charms of more sedate Mediterranean-style villages that offer entrée to the local lifestyle. The possibilities are endless, and all are within your grasp.
Miami Lifestyle & Boutique Hotels... the ultimate set!

The biggest celebrity of them all... Miami.
FILM, FASHION + ENTERTAINMENT

Everyone wants to get in on Miami’s distinctive vibe. Miami moves to its own rhythm, with a sense of energy that permeates every corner. In fact, this city that attracts celebrities from around the world is the biggest personality of them all. Everywhere you turn you’ll find locations so spectacular and vibrant they make everyone else look great, too. Miami is always the centerpiece, but it’s a generous co-star in any production.

Miami’s lifestyle and boutique hotels offer the perfect backdrop to the perfect shot — in print or on film. Or just as the perfect place to stay in a perfectly fabulous city.
