THE ART OF MEETING BEGINS AT THE ICONIC MIAMI BEACH CONVENTION CENTER

Home to some of the world’s largest international events, the Miami Beach Convention Center completed a magnificent $620M LEED-certified renovation and expansion project in 2018. It added a stunning new 60,000-square-foot multi-purpose ballroom, 84 breakout rooms totaling 183,000 square feet, four exhibit halls of 500,000 square feet, $7.4M of world-class art installations by internationally acclaimed artists, and six acres of green space.

The newly renovated Miami Beach Convention Center is a destination unto itself; a lively hub of activity with the energy and excitement of Miami Beach’s tropical soul. The focus is on comfortable, flexible spaces, top-notch meeting services and lush green areas for re-energizing.

IN THE CENTER OF IT ALL

With nearly 60,000 hotel rooms, plentiful non-stop domestic and international flights, meeting spaces to accommodate groups of any size, year-round outdoor dining, some of the world’s most glorious beaches, and a fabulous dining and night life scene, this is an amazing destination.
The Miami Beach Convention Center has transformed into the most state-of-the-art convention center and public space in the country. Located in the heart of world-renowned Miami Beach, the Center is conveniently situated only 12 miles from Miami International Airport, Downtown Miami and PortMiami, making it a perfect meeting space for domestic and international travelers alike. Spanning four city blocks of sunny South Beach, the Center is within easy walking distance of the Art Deco District and America’s most spectacular beaches.

**MEETING & EXHIBIT SPACE**
Large or small, if you can imagine it, the Miami Beach Convention Center can handle it. The meeting space and breakout rooms feature flexible arrangements and the meeting rooms offer the latest in AV technology, sound-proofing and attendee comfort.

The renovated and versatile exhibit space, featuring four massive halls, is set against a backdrop of stunning beaches, fine dining, art, shopping, luxury rooms and an abundance of glorious sunshine. Not to mention a state-of-the-art grand ballroom, junior ballroom and the reimagined indoor/outdoor public spaces. That’s a win-win for meeting delegates.

**HEADQUARTER HOTEL**
City of Miami Beach voters have approved construction of a privately funded convention headquarter hotel connected to the newly renovated and reimagined Miami Beach Convention Center. Local architecture firm Arquitectonica designed the 800-room convention headquarter hotel to be located at the intersection of 17th Street and Convention Center Drive. It will connect to the Miami Beach Convention Center via a pedestrian bridge.

CALLING ALL BEACHGOERS
Staying in Miami Beach? Head to the Miami Design Preservation League and take their 90-minute walking tour first thing in the morning. Then, grab lunch while you people-watch on Ocean Drive. Now it’s time to find your spot on the sand or a lounge chair. A leisurely afternoon stroll will have you scoring fashion finds at the shops on Collins and Washington avenues, right before sunset viewing on South Pointe and then dinner on Lincoln Road. Greater Miami and the Beaches is a paradise of interconnected cities, urban hubs and charming villages. To learn more, visit MiamiandBeaches.com
MIAMI BEACH

The Art Deco Historic District is one of Miami Beach’s most popular attractions. You can explore it on guided walking tours offered by the Miami Design Preservation League (MDPL).

Many of the striking buildings in Miami Beach house fascinating museums, including The Bass, Miami Beach’s contemporary art museum. A dramatic Spanish Baroque building is home to The Wolfsonian – FIU, a museum exploring advances made from the 1850s to the 1950s. The Jewish Museum of Florida – FIU is located in two beautifully restored synagogues. The Holocaust Memorial Miami Beach is identified by the stunning image of a giant sculpted hand reaching toward the skies. Miami Beach Botanical Garden is a peaceful urban oasis.

The sparkling seashore lines Miami Beach for miles. North Beach Oceanside Park offers wide open spaces and no hotel towers to share the view. Lummus Park provides the palm trees and sand dunes that connect the sparkling blue Atlantic with pastel-colored Ocean Drive.

Fashionistas looking for cool retail head directly to South Beach’s shopping streets: Lincoln Road, Collins Avenue, Washington Avenue and Ocean Drive. European-flavored Española Way offers laid-back cafes and charming stores.

The curtain is rising on concerts, comedy and theater at a number of venues, including the Fillmore Miami Beach at the Jackie Gleason Theater, the Colony Theatre, the New World Center and the Faena Theater. The North Beach Bandshell is a unique concert venue near the ocean.

DOWNTOWN MIAMI + BRICKELL

Downtown Miami’s striking skyline is an architectural testament to an impressive collection of historic landmarks, futuristic structures and showstopping attractions like the Freedom Tower, now home to the Museum of Art and Design at Miami Dade College (MOAD MDC).

Bayfront Park is a lush 32-acre site on Biscayne Bay, while Museum Park connects Pérez Art Museum Miami (PAMM) and the Phillip and Patricia Frost Museum of Science. The Olympia Theater came of age in the Roaring Twenties, and the Adrienne Arsht Center for the Performing Arts of Miami-Dade County is home to Florida Grand Opera, the Miami City Ballet and the New World Symphony.

Holding court at the massive AmericanAirlines Arena, the NBA’s Miami HEAT play to sellout crowds. The scenic MacArthur Causeway connecting to Miami Beach is home to Miami Children’s Museum.
South of the Miami River, the booming Brickell district is home to a wide array of high-rise office towers, residential buildings, restaurants and bars. Here you’ll find the laid-back Mary Brickell Village and the stunning Brickell City Centre.

**COCONUT GROVE**
A little bohemian, a little Bahamian and altogether fascinating, “The Grove” is a place where people can stroll the streets and sample eclectic shopping and cuisine at a variety of shops and restaurants. History and heritage still echo through The Grove, as you discover when strolling beside the bay at Peacock Park, visiting The Barnacle or exploring the splendorous Vizcaya Museum and Gardens.

**COCONUT GROVE VILLAGE WEST**
Touring this enclave is an enriching experience as you learn about African American and Bahamian settlers who arrived in the 1870s. Take a stroll and explore the area’s first Black church, a library, a cemetery and a number of historical homes.

**CORAL GABLES**
In addition to its quiet, tree-shaded streets and lovely homes, Coral Gables offers a host of attractions. Nature’s beauty and man’s ingenuity meet at Venetian Pool, described as “the world’s most beautiful swimming hole.” Explore the world of exotic plants at Fairchild Tropical Botanic Garden.

Golfers can tee off at the Granada Golf Course and The Biltmore Golf Course. The Coral Gables Country Club is a beautiful venue constructed in 1924. Miracle Mile and the surrounding streets of downtown Coral Gables are home to many fine shops and restaurants.

**WYNWOOD**
Spanning block after block of avant-garde imagery, there’s nothing quite like it. The whole neighborhood boasts countless art galleries, museums and art collections complementing the world-famous Wynwood Walls. Park the car and walk in any direction to discover captivating imagery, both inside the many showrooms and outside on the streets, along with imaginative dining and unique nightlife.
MIAMI DESIGN DISTRICT
Curators of modern interiors, architecture and fashion can happily pass the time in the Miami Design District, a local nexus of art galleries, showrooms, creative services, architectural firms, designer stores, antiques dealers, cafes and bars. Cultural happenings and outdoor concerts take place year-round at the Moore Building and Palm Court.

BAL HARBOUR
This exclusive beach town at the northern tip of Miami Beach is a pedestrian-friendly community of beautiful homes, world-class resorts and shops.
Upscale on a scale of its own, Bal Harbour Shops keeps the village feel going with open-air walkways, fountains and palms leading the way to a collection of shops that represent the crème de la crème of the retail universe.

SOUTH MIAMI
Bordering Coral Gables and Pinecrest, the City of South Miami is known for idyllic residential neighborhoods and a vibrant family-friendly downtown area. Find big brands at The Shops at Sunset Place, as well as many dining options and some exciting gaming and arcade fun at GameTime.

SURFSIDE
Long walks on the beach were practically invented in this waterfront haven just north of Miami Beach. PLACES TO SEE

AVENTURA
The striking residential towers of Aventura rise over flowing waterways, lush parks and golf courses. Aventura Mall is a destination unto itself. It recently debuted a new wing with upscale shops and a 93-foot-long slide for kids and adults alike. At the JW Marriott Turnberry, the new Tidal Cove water park offers thrills for the whole family. The heart of the city’s cultural rhythm is the Aventura Arts & Cultural Center, an elegant waterfront venue.

SOUTH DADE
South Dade offers new worlds of discovery, agriculture and wilderness. Homestead is the gateway to two natural wonders: Everglades National Park and Biscayne National Park. It is also the home of Homestead Miami Speedway.

Pinecrest is home to Pinecrest Gardens, listed on the National Register of Historic Places.

Zoo Miami is consistently ranked among the country’s top 10 zoos, while Monkey Jungle provides a habitat for 300 gibbons, guenons, spider monkeys, orangutans and other playful primates. The Deering Estate is a 444-acre environmental, archaeological and historical preserve along Biscayne Bay. Built between 1923 and 1951, Coral Castle Museum in Homestead is one of Greater Miami’s more intriguing sites, world renowned for its mysteries of love and science.

History buffs can take a walking tour of the Homestead Historic Downtown District. In Florida City, the Florida Pioneer Museum focuses on early 20th-century settlers. Goulds and Perrine flourished during the early days of Henry Flagler’s Florida East Coast Railway. Today, these areas are ripe for exploration. To get a glimpse into South Dade’s pioneering history, visit Cauley Square Historic Railroad Village.

Originally conceived as a community for African-American veterans returning home from World War II and facing the difficulty of finding quality affordable housing, Richmond Heights has grown into a thriving community with a rich and proud history.

The South Miami-Dade Cultural Arts Center in Cutler Bay hosts concerts and community outreach programs, and provides rehearsal space for performers. Seminole Theatre in Homestead has become a go-to venue for entertainment.

LITTLE HAVANA
Declared a national treasure by the National Trust for Historic Preservation, this slice of the motherland created by Cuban exiles in the 1960s hums with perpetual activity, especially along Southwest 8th Street (Calle Ocho). Cuban retirees gather to play dominoes at Máximo Gómez Park, known as Domino Park. Many cigar factories and shops feature authentic rolling rooms. Little Havana also is home to unique shops selling items such as traditional guayabera shirts. Catch live music at Ball & Chain, or see a Miami Marlins game at the state-of-the-art Marlins Park.

ALLAPATTAH
The climate is sunny and multicultural in Allapattah, known unofficially as “Little Santo Domingo,” but officially as one of Miami’s most interesting neighborhoods, set on the Miami River north of Little Havana. The flavors of the Dominican Republic and Cuba abound.

LITTLE HAITI
This community is a pillar of Caribbean history, music and art, with the Little Haiti Cultural Complex (LHCC) at the forefront of its cultural programming. The streets of Little Haiti bustle with family-owned businesses, music stores, bookshops, clothing boutiques and authentic eateries. The Caribbean Marketplace is designed as a replica of the Iron Market in Port-au-Prince. It’s the place to shop for fine art, jewelry, handmade souvenirs and collectibles and to enjoy live entertainment and island cuisine.

SUNNY ISLES BEACH
Set on the northern end of Miami Beach, Sunny Isles Beach is a seaside enclave where luxury hotel towers overlook its golden shoreline. It is home to lush parks, like Heritage Park, which hosts the Sunny Isles Beach Jazz Fest every fall. Spend a “spa” day at one of the area’s elegant resorts and enjoy an evening of world-class dining.

HISTORIC OVERTOWN

Adjacent to Downtown Miami, Overtown was once a thriving African-American community of locally owned businesses. Anchoring the district, the Lyric Theater is listed on the National Register of Historic Places and showcases local talent. The Black Archives leads tours of Historic Overtown. Points of interest include the Black Police Precinct and Courthouse Museum. The latest addition to the area is the Overtown Performing Arts Center.

KEY BISCAYNE + VIRGINIA KEY

On Key Biscayne, Crandon Park offers two miles of beach, renowned golf and tennis facilities, as well as a full-service marina. At the island’s southern tip, Bill Baggs Cape Florida State Park is home to a lighthouse built in 1825. The 95-foot whitewashed red-brick tower remains the oldest structure standing in Greater Miami.

During segregation, Virginia Key was one of the only places where Black people could access the beach. It has a rich cultural history and played a significant role in the Civil Rights movement of South Florida. Now, Historic Virginia Key Beach Park is listed on the National Register of Historic Places and offers a host of facilities for all to enjoy.

In Virginia Key, you will also find a pioneer among marine conservation parks: Miami Seaquarium. It covers 38 acres, with sea turtles, manatees, wild birds and fish of every size and color. Dolphins, sea lions and whales perform in shows under the landmark Golden Dome, designed by acclaimed architect Buckminster Fuller.

LIBERTY CITY

This largely African-American community in Greater Miami’s northwest corner once thrived, before falling on hard times from the late 1960s to the early 1980s. Determined local leaders’ efforts are paying off with increased commercial development and area beautification, including Liberty City’s famed outdoor murals and the iconic Liberty Square. Liberty City is home to the Joseph Caleb Auditorium, the African Heritage Cultural Arts Center and the Sandrell Rivers Theater.
AIRPORT AREA

Miami International Airport (MIA) has been blazing the trail for art in airports since the 1970s with the Art in Public Places initiative.

It continues to have one of the most expansive and compelling art collections of any major international airport.

When the outdoors beckon, nearby Grapeland Water Park is a wonderful place to enjoy some fun. With 13 acres of waterslides, lazy rivers and pools, there’s plenty of splish-splashing to be done here.

The airport is centrally located and within easy reach of several major malls. If you still haven’t finished shopping before your flight, not to worry – the shops at Miami International Airport include jewelers, bookstores, art retailers and duty-free merchandise.

MIAMI SPRINGS

Located “in the heart of it all,” Miami Springs is adjacent to Miami International Airport and offers visitors a glimpse into Miami’s peaceful side, with a wonderful small-town flavor. The Curtiss Mansion, which belonged to the city’s founder, is one of the city’s most revered representations of Pueblo Revival architectural style. The city is home to the historic Miami Springs Golf and Country Club.

HIALEAH

Hialeah Park Race Track is one of the world’s most beautiful racing courses. Visit Monument Park, also known as Cuban Heritage Park, or head to picturesque Entrance Plaza Park. Amelia Earhart Park is home to the Miami Watersports Complex, offering wake boarding, wake-surfing, waterskiing and more.

The Leah Arts District is a slice of the neighborhood carved out for muralists and other artists to live and work, while the Garden of the Arts is a park with paved walking trails leading through murals and sculptures.

NORTH MIAMI

The city lies adjacent to Biscayne Bay and is home to the Biscayne Bay Campus of Florida International University (FIU), and the North Miami campus of Johnson & Wales University. The acclaimed Museum of Contemporary Art (MoCA), designed by world-famous architect Charles Gwathmey, is located in the heart of downtown North Miami. Dezerland Park is a recently expanded indoor amusement park.
NORTH MIAMI BEACH
North Miami Beach is home to the oldest building in the Western Hemisphere. Originally constructed in the 1100s, the Monastery of St. Bernard de Clairvaux was disassembled and transported here from Spain by publishing magnate William Randolph Hearst, then reassembled stone by stone, renamed the Ancient Spanish Monastery and opened to the public in nearby North Miami Beach. On nearby Biscayne Bay, you’ll find Oleta River State Park, which is Florida’s largest urban park.

UPPER EASTSIDE
Short for “Miami Modern,” the MiMo style of architecture thrived after World War II and became part of Miami’s architectural boom. These days, the area on and around the 27-block district between 50th and 77th streets on Biscayne Boulevard is experiencing its own revival with restored architectural gems, forging a new identity as the MiMo Biscayne Boulevard Historic District. The stretch is now a hub of trendy eateries and retail options.

MIAMI LAKES
Meticulously planned Miami Lakes is more hometown than metropolis. As the name suggests, this area is full of lakes – 23 to be exact – giving many homes lakefront views. A traditional Main Street anchors curvy residential streets, tasteful corporate parks and green spaces. Enjoy fine dining and shopping in the quaint ambience created by old-fashioned lamps, colorful striped awnings and brick sidewalks.

DORAL
Doral is a multifaceted neighborhood of residential districts, parks, cultural activities and international dining, with a thriving commercial scene that includes major media corporations, a portfolio of multinational companies and a design showroom district.
Doral’s convenient location makes it an ideal place for shopping. Miami International Mall and the Dolphin Mall outlets are easily accessible. CityPlace Doral and Downtown Doral have recently opened, offering a dynamic lineup of restaurants, shops and nightlife venues. The city flexes its cultural muscle at the Museum of the Americas (MoA), dedicated to promoting both established and emerging contemporary artists.

**OPA-LOCKA**

Opa-locka holds the distinction of having the largest collection of Moorish Revival architecture in the Western Hemisphere, including a City Hall complete with minarets and elaborately painted domes. Opa-locka also has its own airport, which is used for private planes.

**MORE TO EXPLORE**

Just west of Greater Miami, you can explore nature near the Everglades. Take Tamiami Trail (U.S. 41) west and look for Miccosukee Indian Village, Coopertown Everglades Airboat Tour & Restaurant or Everglades Safari Park. You can also explore Everglades National Park by tram or bicycle at the Shark Valley entrance.
Greater Miami and the Beaches is home to countless attractions, including two national parks. Swimming with dolphins, hand-feeding alligators in the wild, “traveling back in time” through history and exploring technological marvels of the future are only a small fraction of the attractions for visitors to enjoy.

From Homestead to Doral, Wynwood, South Beach and beyond, new breweries are popping up all over town and taking over Miami nightlife.

Artisanal ventures are adding innovative flavors, twists, turns and combinations straight from the tap. Miami’s breweries experiment with local flavors and add their own signature takes. Many offer informative tours highlighting their innovative processes. Seasonal favorites include mango-based brews and recipes brought directly from early 20th-century Havana.

TOLL ROADS
Florida’s Turnpike and portions of some highways in Miami are toll roads. Tolls are automated and there is no need to stop at a toll booth. If you are renting a car, ask your car rental agency about options for paying tolls. Some rental cars are equipped with a SunPass, PlatePass® or Pass24® to pay tolls electronically. If your car does not have one of these devices, you can use Toll-By-Plate. Just drive through and the tolls will be added to your final bill. An administrative fee will be added.

TIPS AND INFORMATION
FOR USING THE I-95 EXPRESS LANES
The Express Lanes are for long-distance trips ONLY. The toll varies depending on the current level of I-95 congestion, and is clearly posted overhead. Tolls are collected electronically, so if you want to use 95 Express, make sure you have a SunPass, PlatePass® or Pass24®. If you are in a registered hybrid vehicle, vanpool or 3+ carpool, or if you drive a motorcycle, you can use 95 Express toll-free.

NORTHBOUND
• Drivers may enter the lanes from eastbound State Road 112, northbound I-95 just south of SR 112 or from the Northwest 10th Avenue ramps to I-95.
• There is no exit for approximately seven miles until just north of Northwest 151st Street.
• Drivers may enter again just south of Miami Gardens Drive/186th Street.
• There is no exit for approximately two miles until Ives Dairy Road/203rd Street.

SOUTHBOUND
• Drivers may enter the lane at Miami Gardens Drive/186th Street.
• There is no exit for approximately two miles to S.R. 826/Palmetto Expressway.
• Drivers may enter the lane again at 151st Street.
• There is no exit for approximately five miles to S.R. 836/Dolphin Expressway. 

ONCE IN THE LANES...
• Do not stop in the express lanes.
• Do not attempt to exit early by driving around or between the plastic poles.
PUBLIC TRANSPORTATION
There are several economic methods of public transportation available throughout Greater Miami and the Beaches. Metrorail is a 25-mile elevated rail system that serves Downtown Miami and extends west to Miami International Airport and Hialeah, and south to Kendall, with stops approximately every mile.
