LET'S MEET IN MIAMI

THE ART OF MEETING BEGINS AT THE ICONIC MIAMI BEACH CONVENTION CENTER

Home to some of the world's largest international events, the Miami Beach Convention Center completed a magnificent \$620M LEED-certified renovation and expansion project in 2018. It added a stunning new 60,000-square-foot multi-purpose ballroom, 84 breakout rooms totaling 183,000 square feet, four exhibit halls of 500,000 square feet, \$7.4M of world-class art installations by internationally acclaimed artists, and six acres of green space.

The newly renovated Miami Beach Convention Center is a destination unto itself; a lively hub of activity with the energy and excitement of Miami Beach's tropical soul. The focus is on comfortable, flexible spaces, top-notch meeting services and lush green areas for re-energizing.

IN THE CENTER OF IT ALL

With nearly 60,000 hotel rooms, plentiful non-stop domestic and international flights, meeting spaces to accommodate groups of any size, year-round outdoor dining, some of the world's most glorious beaches, and a fabulous dining and night life scene, this is an amazing destination.

The Miami Beach Convention Center has transformed into the most state-of-the-art convention center and public space in the country. Located in the heart of world-renowned Miami Beach, the Center is conveniently situated only 12 miles from Miami International Airport, Downtown Miami and PortMiami, making it a perfect meeting space for domestic and international travelers alike. Spanning four city blocks of sunny South Beach, the Center is within easy walking distance of the Art Deco District and America's most spectacular beaches.

MEETING & EXHIBIT SPACE

Large or small, if you can imagine it, the Miami Beach Convention Center can handle it. The meeting space and breakout rooms feature flexible arrangements and the meeting rooms offer the latest in AV technology, sound-proofing and attendee comfort.

The renovated and versatile exhibit space, featuring four massive halls, is set against a backdrop of stunning beaches, fine dining, art, shopping, luxury rooms and an abundance of glorious sunshine. Not to mention a state-of-the-art grand ballroom, junior ballroom and the reimagined indoor/outdoor public spaces. That's a win-win for meeting delegates.

HEADQUARTER HOTEL

City of Miami Beach voters have approved construction of a privately funded convention headquarter hotel connected to the newly renovated and reimagined Miami Beach Convention Center. Local architecture firm Arquitectonica designed the 800-room convention headquarter hotel to be located at the intersection of 17th Street and Convention Center Drive. It will connect to the Miami Beach Convention Center via a pedestrian bridge.

ITINERARIES

SIGHTS AND ADVENTURES

The list of things to see and do in Greater Miami and the Beaches is virtually endless. Just a little planning guarantees a great visit.

CALLING ALL BEACHGOERS

Staying in Miami Beach? Head to the Miami Design Preservation League and take their 90-minute walking tour first thing in the morning. Then, grab lunch while you people-watch on Ocean Drive. Now it's time to find your spot on the sand or a lounge chair. A leisurely afternoon stroll will have you scoring fashion finds at the shops on Collins and Washington avenues, right before sunset viewing on South Pointe and then dinner on Lincoln Road. Afterwards, catch a performance by the New World Symphony.

FOR THE URBANISTA

If staying in Downtown Miami, take in the great masters of contemporary art at Pérez Art Museum Miami (PAMM). Then cross over to the Phillip and Patricia Frost Museum of Science for a morning of scientific discoveries. Join the business lunch crowd at Brickell City Centre's La Centrale and come back to post your pictures of the Freedom Tower at Miami Dade College before boarding a thrilling boat tour at Bayside's Miamarina. Tired yet? We didn't think so. Catch a headliner at the Adrienne Arsht Center for the Performing Arts of Miami-Dade County to end on a high note.

ART AFICIONADOS AND COOL HUNTERS

Take a day to stroll through the Instagrammable streets of Wynwood and immerse yourself in the creative cityscape, stopping in and out of galleries. Head over to the Miami Design District where a stop at the Institute of Contemporary Art, Miami (ICA) is a “must,” while the shop-a-holic in you will be tempted by luxury goods and objets d’art. Take a selfie in front of Buckminster Fuller’s Fly’s Eye Dome before dinner.

BOHEMIANS AND JET-SETTERS

Start your day in Coconut Grove by visiting Vizcaya Museum and Gardens or the Barnacle Historic State Park. Lunch in the Grove might mean open-air seating at the Peacock Garden Bistro followed by an afternoon stroll through Coconut Grove Village West, a neighborhood founded by Bahamian settlers. Adjacent to Coconut Grove, Coral Gables is a visual treat with its Mediterranean architecture. Make a splash at the historic Venetian Pool and then take in the upscale eateries and shops on Miracle Mile before cocktail hour at The Biltmore.

RUGGED OUTDOOR TYPES

If the outdoors beckon, Miami Watersports Complex at Amelia Earhart Park is the perfect daytime outing. If tennis is more your thing, you can book a court at Crandon Tennis Center and get your game on in Key Biscayne. Later, you can get close to marine mammals at the Miami Seaquarium. Those looking to appreciate nature in its pristine state can head to South Dade. Homestead is the gateway to two natural wonders – Everglades National Park and Biscayne National Park. South Dade is where you will also find outdoor attractions like Zoo Miami, Coral Castle and Monkey Jungle. For an afternoon of local history, visit the legendary Deering Estate.

MIAMI BEACH

The Art Deco Historic District is one of Miami Beach's most popular attractions. You can explore it on guided walking tours offered by the Miami Design Preservation League (MDPL).

Many of the striking buildings in Miami Beach house fascinating museums, including The Bass, Miami Beach's contemporary art museum. A dramatic Spanish Baroque building is home to The Wolfsonian – FIU, a museum exploring advances made from the 1850s to the 1950s. The Jewish Museum of Florida – FIU is located in two beautifully restored synagogues. The Holocaust Memorial Miami Beach is identified by the stunning image of a giant sculpted hand reaching toward the skies. Miami Beach Botanical Garden is a peaceful urban oasis.

The sparkling seashore lines Miami Beach for miles. North Beach OceanSide Park offers wide open spaces and no hotel towers to share the view. Lummus Park provides the palm trees and sand dunes that connect the sparkling blue Atlantic with pastel-colored Ocean Drive.

Fashionistas looking for cool retail head directly to South Beach's shopping streets: Lincoln Road, Collins Avenue, Washington Avenue and Ocean Drive. European-flavored Española Way offers laid-back cafes and charming stores.

The curtain is rising on concerts, comedy and theater at a number of venues, including the Fillmore Miami Beach at the Jackie Gleason Theater, the Colony Theatre, the New World Center and the Faena Theater. The North Beach Bandshell is a unique concert venue near the ocean.

DOWNTOWN MIAMI + BRICKELL

Downtown Miami's striking skyline is an architectural testament to an impressive collection of historic landmarks, futuristic structures and showstopping attractions like the Freedom Tower, now home to the Museum of Art and Design at Miami Dade College (MOAD MDC).

Bayfront Park is a lush 32-acre site on Biscayne Bay, while Museum Park connects Pérez Art Museum Miami (PAMM) and the Phillip and Patricia Frost Museum of Science. The Olympia Theater came of age in the Roaring Twenties, and the Adrienne Arsht Center for the Performing Arts of Miami-Dade County is home to Florida Grand Opera, the Miami City Ballet and the New World Symphony.

Holding court at the massive American Airlines Arena, the NBA's Miami HEAT play to sellout crowds. The scenic MacArthur Causeway connecting to Miami Beach is home to Miami Children's Museum.

South of the Miami River, the booming Brickell district is home to a wide array of high-rise office towers, residential buildings, restaurants and bars. Here you'll find the laid-back Mary Brickell Village and the stunning Brickell City Centre.

COCONUT GROVE

A little bohemian, a little Bahamian and altogether fascinating, "The Grove" is a place where people can stroll the streets and sample eclectic shopping and cuisine at a variety of shops and restaurants. History and heritage still echo through The Grove, as you discover when strolling beside the bay at Peacock Park, visiting The Barnacle or exploring the splendorous Vizcaya Museum and Gardens.

COCONUT GROVE VILLAGE WEST

Touring this enclave is an enriching experience as you learn about African American and Bahamian settlers who arrived in the 1870s. Take a stroll and explore the area's first Black church, a library, a cemetery and a number of historical homes.

CORAL GABLES

In addition to its quiet, tree-shaded streets and lovely homes, Coral Gables offers a host of attractions. Nature's beauty and man's ingenuity meet at Venetian Pool, described as "the world's most beautiful swimming hole." Explore the world of exotic plants at Fairchild Tropical Botanic Garden.

Golfers can tee off at the Granada Golf Course and The Biltmore Golf Course. The Coral Gables Country Club is a beautiful venue constructed in 1924. Miracle Mile and the surrounding streets of downtown Coral Gables are home to many fine shops and restaurants.

Declared a national treasure by the National Trust for Historic Preservation, this slice of the motherland created by Cuban exiles in the 1960s hums with perpetual activity, especially along Southwest 8th Street (Calle Ocho). Cuban retirees gather to play dominoes at Máximo Gómez Park, known as Domino Park. Many cigar factories and shops feature authentic rolling rooms. Little Havana also is home to unique shops selling items such as traditional *guayabera* shirts. Catch live music at Ball & Chain, or see a Miami Marlins game at the state-of-the art Marlins Park.

ALLAPATTAH

The climate is sunny and multicultural in Allapattah, known unofficially as "Little Santo Domingo," but officially as one of Miami's most interesting neighborhoods, set on the Miami River north of Little Havana. The flavors of the Dominican Republic and Cuba abound.

Set on the northern end of Miami Beach, Sunny Isles Beach is a seaside enclave where luxury hotel towers overlook its golden shoreline. MIAMI GETS CRAFTY

From Homestead to Doral, Wynwood, South Beach and beyond, new breweries are popping up all over town and taking over Miami nightlife.

Artisanal ventures are adding innovative flavors, twists, turns and combinations straight from the tap. Miami's breweries experiment with local flavors and add their own signature takes. Many offer informative tours highlighting their innovative processes. Seasonal favorites include mango-based brews and recipes brought directly from early 20th-century Havana.

The background image is a vertical composition. The top half shows a blue sky with white clouds. Below the sky is a semi-transparent brown rectangular box containing the title and website. Underneath the box is a wide shot of a Miami beach with a wooden pier extending into the water, a rocky shoreline, and a city skyline in the distance. The bottom half of the image shows a close-up of a yellow and red boat moving quickly through the turquoise water, leaving a white wake.

TOLL ROADS

Florida's Turnpike and portions of some highways in Miami are toll roads. Tolls are automated and there is no need to stop at a toll booth. If you are renting a car, ask your car rental agency about options for paying tolls. Some rental cars are equipped with a SunPass, PlatePass® or Pass24® to pay tolls electronically. If your car does not have one of these devices, you can use Toll-By-Plate. Just drive through and the tolls will be added to your final bill. An administrative fee will be added.

**TIPS AND INFORMATION
FOR USING THE I-95 EXPRESS LANES**

The Express Lanes are for long-distance trips ONLY. The toll varies depending on the current level of I-95 congestion, and is clearly posted overhead. Tolls are collected electronically, so if you want to use 95 Express, make sure you have a SunPass, PlatePass® or Pass24®. If you are in a registered hybrid vehicle, vanpool or 3+ carpool, or if you drive a motorcycle, you can use 95 Express toll-free.

NORTHBOUND

- Drivers may enter the lanes from eastbound State Road 112, northbound I-95 just south of SR 112 or from the Northwest 10th Avenue ramps to I-95.
- There is no exit for approximately seven miles until just north of Northwest 151st Street.
- Drivers may enter again just south of Miami Gardens Drive/186th Street.
- There is no exit for approximately two miles until Ives Dairy Road/203rd Street.

SOUTHBOUND

- Drivers may enter the lane at Miami Gardens Drive/186th Street.
- There is no exit for approximately two miles to S.R. 826/Palmetto Expressway.
- Drivers may enter the lane again at 151st Street.
- There is no exit for approximately five miles to S.R. 836/Dolphin Expressway.

ONCE IN THE LANES...

- Do not stop in the express lanes.
- Do not attempt to exit early by driving around or between the plastic poles.
